

MARINER

BESPOKE JOINERY

Mariner is a Spanish company that is located in Valencia and specialize in the design and creation of handmade custom lightings and luxury furniture for over 128 years. Its history is full of special moments that have shaped the personality of the brand.

SUPREME LUXURY EXPERIENCE SINCE 1893.

During the course of these 128 years, one constant factor has helped Mariner to continue successfully over a period, which is spanning through the five generations.

This constant factor is the passion that, day after day, year after year, the brand puts into this.
